Attendance Policy

Students are expected to attend class and to be on time. The Attendance portion (10%) of the final grade average will be determined by the percentage of classes actively attended by the student. This figure is arrived at by dividing the number of classes actively attended by the number of total class meetings. Each student will be allowed two (2) unexcused absences for which there will be no penalty. Attendance is recorded at the beginning of class. Students will attend the section in which they are registered.

Tardiness: Late students will be marked tardy. Three tardies will equal one unexcused absence. If the student is more than 15 minutes late to class, the student will be marked absent for the day.

Excused Absences: An excused absence is defined as an absence due to illness, an official trip or activity authorized by the college, or family emergency. The student must notify the instructor of the absence prior to the start of class and must provide documentation in the form of a doctor's note or release form from the college. In the case of illness, if no doctor's note is presented and the instructor is not notified before class, the absence will be unexcused.

Please see statement on Covid-19

The student is responsible for obtaining any notes or assignments missed due to absence or tardiness from other classmates or from Blackboard, except in the case of an excused absence. Do not email the instructor asking what was missed in class. The instructor will not answer these emails.

Withdrawal Policy: The last day to withdraw/drop with a grade of "W" is April 27th. It is the student's responsibility to withdraw from this course. Otherwise, students will be assigned their earned letter grade at the end of the course. Course averages will be updated weekly, and guidance will be provided throughout the term to help students decide whether they need to drop the class or not. For more information regarding drops/withdrawals, please visit <https://www.southplainscollege.edu/admission-aid/apply/schedulechanges.php>.

If the student does not communicate with the professor or attend class for 3 consecutive weeks, the student will be advised to drop the course.
