Students are expected to assist in maintaining a classroom environment that is conducive to learning. In order to assure that all students have the opportunity to gain from time spent in class, unless otherwise approved by the instructor; students are prohibited from engaging in any other form of distraction. Inappropriate behavior in the classroom shall result, minimally, in a request to leave class.

## **Academic Writing:**

South Plains College requires all students to become proficient in "academic English," a form of English that is typically used in academic, professional, and business contexts. While slang, regional idioms, and informal kinds of self-expression are appropriate in some contexts, they are out of place in academic writing. Writing instructors and professors in courses across the campus expect all students to demonstrate proficiency in using the conventions of academic English in their written work, whether it is in-class exams or take-home essays.

## **Plagiarism:**

At SPC we take the offense of plagiarism very seriously. Plagiarism is the theft of another person's work. If you copy something from an internet source and present it as your own that is cheating, copying, and it is against the rules.

Plagiarism can also be defined as one or more students turning in the same or similar papers. I remember what I have read and can spot similar words and phrases from paper to paper, from section to section, and from semester to semester. SPC also maintains a file of every paper submitted by every student and student papers are automatically scanned for uncanny similarities.

The consequence of plagiarism in my classes is this: the offender(s) will be receive zero credit for the entire assignment or exam potentially dropped from the class with an F and a report submitted to the Dean of Student Affairs.

## **Attendance Policy:**

While this class does not meet during a fixed time, you are required to be an active participant each week. Failure to submit required assignments, discussion posts, etc will result in a reduced grade. You should budget approximately ten hours a week for this course.

All Students are required to read their text according to the lecture schedule below. Students should be prepared to contribute to class discussion of the lecture topics. Exams will be based on both lecture and discussion of the text, and students should maintain careful notes in order to prepare for these exams. Students are responsible for all missed reading assignments, notes etc.

The instructor reserves the right to count students absent if they are not prepared, being disruptive, or participating in class. Students are expected to follow all class procedures, including the prohibition of phones.

## **Religious Holidays**

Any student who intends to observe a religious holy day should make that intention known to the instructor prior to the absence.
